

Scenix Mural & Theme Paint

- A water-based aliphatic acrylic-urethane coating for exterior & interior application
- Top coat with Scenix SSR Clear for maximum durability

High Performance

- A more robust version of Scenix with a higher resin load & pigment volume
- Color matching available - custom colors & spray performance can be made to client specifications

SSR Clear

- Compatible with all Createx paints
- Extreme durability, chemical resistance & non-yellowing
- Cures in 4 hours
